

Conservation Advisory Board Meeting Minutes August 18, 2011

Meeting began at 7:10 pm.

All in attendance: Doug Nichols, Sandy Carnevale, Ron Koczaja, Melanie Hamilton and Dr. Gregory.

Dr. Gregory approved July's minutes, Ed second.

Old Business:

- Duke's Memorial – Doug has not heard back from the Family at this time.
- Hampton Brook – the next step is making the property ADA compliant. Grant money will need to be funding this green way development. Post and rail fence has been established along the property line by Hamburg Building and Grounds Department.

New Business:

- EAF – Commerce Drive. Spartae building for Quest Diagnostics. This site has been previously approved 15 years ago during original construction. Although preapproved, this requires a short form. Dr. Gregory too this seeker.

Meeting adjourned at 8:05 pm Dr. Gregory, second by Doug.

September 12 – Full Moon

September 23 – Fall Equinox begins

September 27 – New Moon

Wildfires have been burning across the drought – stricken State of Texas for close to 300 days.

The University of Bremen in Germany reported Arctic Sea ice has melted to historic lows since the beginning of their observations in 1972. Studies indicate the continuing decline is related to man influenced global warming.

The next meeting will be held on Thursday, September 15, 2011 at 7:00 pm in the Building Inspection Conference Room.
