WHEREAS, the New York State Dept. of Transportation (NYSDOT) is planning a March 2010 bid opening for the reconstruction of the intersection of South Park Avenue and Big Tree Road into a roundabout; and

WHEREAS, it is anticipated that portions of the Town-owned waterlines, valves, and hydrants located within the State highway right-of-way in the project area will require relocation or adjustment as a result of the NYSDOT highway project; and

WHEREAS, Subdivision 24 of Section 10 of State Highway Law enables NYSDOT to provide for the relocation or adjustment of municipally owned utilities at the expense of the State, when such work is necessary as a result of State highway work,

THEREFORE BE IT RESOLVED, that the Town Supervisor is authorized to enter into an agreement with NYSDOT in this regard, granting the State of New York authority to perform required utility relocations or adjustments as part of the project and at no cost to the Town of Hamburg, and agreeing that the Town will resume maintenance of such relocated or adjusted facilities following the completion and acceptance of the construction work associated with the NYSDOT project.

BE IT FURTHER RESOLVED, that the four (4) certified copies of this resolution be provided to the Town Engineering Department, for transmittal to NYSDOT together with the executed utility work agreements.

Supervisor Walters comments that there are some committees that they have not appointed anyone to yet, particularly some of the newer committees. They do have several people that have expressed interest in the existing committees and if anyone did not receive an appointment tonight that does not mean they will not be appointed. The Town Board will continue to appoint to the various volunteer committees over the next couple of meetings.
