

Traffic Safety Advisory Board Minutes
October 7, 2010 Meeting

Attendance: G. Poalini, J. Tarnish, P. Bapst, J. Giglio, G. Triepel,
P. Ryan, M. Gallerani

Absent: L. Dunne

Excused: J. Kleinfelder, J. Sacco, P. Reska

1. Minutes from August 5, 2010 meeting accepted.
2. Residents of Briercliff Homeowners Assoc. presented photo`s of decorative sign posts and street name signing requesting approval for installation. Photographs and request will be forwarded to Legal department for review.
3. Resident @ 4999 Armour-Duells road request for installation of No Parking Here To Corner signs approved by committee.
4. Berkley Apartment Assoc. seeking consideration for installation of Parking Restriction under Chapter 210 local law. Committee members will investigate resident complaint of illegally parked/speeding vehicles in complex area.
5. Speed limit study for Heltz road to reduce speed limit down from 55 MPH between Rte.20 & Pleasant Ave. delayed due to equipment breakdown used for study.
6. Received response from NYS Department of Transportation declining TSAB request for installation of left turn green arrows at the intersection of Route 5 at Big Tree road. In addition letter also stated that DOT engineering investigation of the intersection of Route 5 at Lake Ave. that the signing and pavement conditions are appropriate for existing conditions. Eastbound vehicles making left-turns from westbound left-turn lanes are in Violation State Vehicle and Traffic Laws and suggest that increased police enforcement may have the desired effect to reduce violations.
7. Committee members will investigate complaint from homeowner at 4934 Maryland Drive of work vehicles being parked overnight @ the intersection of Maryland and Manor Lane restricting visibility.
