August minutes:

- 1.) Resident of Mt. Vernon request for Parking Restriction on Warwick Terr. Request dismissed.
Resident has not returned petitions requested by board.
- 2.) Town Highway has contracted with Accent Striping to stripe Riley Blvd.
- 3.) Request for School Zone speed limit for Pinehurst Elementary tabled until letter from Frontier School Board is received.
- 4.) Resident request for stop signs on Woodlawn Ave. @ Lakeview in Woodlawn dismissed. Inquiries with residents in area revealed signs were removed when official drive of Woodlawn Beach was relocated to present location. With regard to the request for extension of No Parking from Fifth St. to First St. it is believed signs if existed were removed. There are no records indicating establishment of No Parking in this area. The board therefore voted not to approve request for No Parking. J.G. /M.G. ... L.D. /P.B. voted in favor of extension.
- 5.) Resident of 3378 Lakeview Rd. request for installation of School Bus Stop Ahead signing approved. T.C. /M.G.
- 6.) M. Gallerani of Board will research with State DOT officials the possibility of installation of directional Trail blazing signs for Historic Penn- Dixie site.
- 7.) M. Gallerani will also research with State NYSDOT Officials the necessity of maintaining No Left Turn signing @ the Tractor Supply store located on the west side of State route 20 south of South Park Ave.
S. DesJardins will request Town Planning Board also revisit the necessity of signing.
- 8.) T. Best, Town Highway Superintendent will investigate the need to retain the present No Parking restriction located on Oakwood Ave. Blasdell.
Superintendent Best also stated he will investigate the need for extension of present No Parking restriction on Tisbury La.
Mr. Best is seeking resident's comments on this proposal.
- 9.) P.Ryan will request M. Bennett investigate complaint of obstructed visibility of Stop sign located on Fairgrounds Dr. @ its intersection with Sowles Rd.

10.) Residents of Roundtree inquired on what process would be taken in regard to the Traffic Impact Study TSAB received from Town Planning Board on the proposed Sherwood Apartment project.
